 SPECIAL FEATURES

Earth is the battleground,  
 control of the Universe is the prize,  
 and the only defense  
 is an army of Autobots  
 able to transform  
 into massive fighting machines  
 as powerful as their enemy—  
 the deadly Decepticons.

The first half of the second season—now available on DVD  
 in this special collector's edition containing 24 episodes  
 in chronological order!

*Special Thanks to Tim Flanigan*
